## FROM THE FATHERS

JESUS sanctified Baptism by being Himself baptized. If the Son of God was baptized, what godly man is he that despiseth Baptism? But He was baptized not that He might receive remission of sins, for He was sinless; but being sinless, He was baptized, that He might give to them that are baptized a divine and excellent grace. For since the children are partakers of flesh and blood, He also Himself likewise partook of the same, that having been made partakers of His presence in the flesh we might be made partakers also of His Divine grace: thus Jesus was baptized, that thereby we again by our participation might receive both salvation and honour.

St. Cyril of Jerusalem +386 AD

"MY BAPTISM was the beginning of my life, and that day of my rebirth the first of all days, then, plainly, the word I spoke on the day of my adoption is the one most of all to be honoured. Can I then, misled by the deceptions of such teachers as these, deny that tradition which brought me to the Light, guided me to the knowledge of my God, and made me a son of God, who before was His enemy through sin? For myself I pray that I may depart to the Lord holding fast to this profession; and I exhort them also, to preserve the Faith inviolate till the Day of Christ, to maintain the Spirit undivided from the Father, and from the Son, and observe the Faith of their Baptism, both in the profession of Faith and in giving praise to God, Father, Son and Holy Spirit, to Whom be praise and glory, unto the ages of ages."

St. Basil the Great + 379 A.D.

"WE DO NOT change the boundaries marked out by our Fathers. We keep the Tradition we have received. If we begin to lay down the Law of the Church even in the smallest things, the whole edifice will fall to the ground in no short time."

St. John of Damascus + 749 AD.

"HAVING read Holy Scripture very carefully, you should also read the holy Fathers who interpret the Scriptures. You will receive no less delight from reading the Fathers than you do from the Scriptures. The Fathers develop the hidden meanings in Scripture and with their own writings help us to understand what we did not before. Because of that philosophic axiom that all men by nature seek knowledge, we must say that great delight follows naturally when we learn about hidden and unknown matters. This is why there will be ineffable joy and gladness that will come to your soul from the interpretations and the words of the holy Fathers. You too will be shouting, as did David, those enthusiastic words in the Psalms."

St. Nikodemos of the Holy Mountain + 1809 AD.
