

Orthodox Christian Prayers for the Sick

O Lord, Healer of our bodies and souls, visit me/name with Your loving-kindness and stretch forth Your hand of healing. Raise me/him/her up from this bed of sickness, and heal me/him/her of all disease, pain, and fever that is binding him/her. We bless and honour You, our most holy Father, gracious Son, and life-creating Spirit, both now and forever. Amen.

Almighty God and Father of our Lord Jesus Christ, because You love mankind, pity Your creation. Your only-begotten Son taught us that not even the smallest sparrow falls to the ground without Your knowledge. We pray to You for Your servant [name here], for the healing of body and soul. Calm me/him/her with confidence in the fullness of Your love. To You belongs all our praise and worship, to the Father, Son, and Holy Spirit, unto ages of ages. Amen.
